

Camp Inclusion

August 5-23

Imagine your child surpassing competitive barriers, and being accepted just for who they are. Envision your child experiencing joy while continually developing gross and fine motor skills, behavioral and social skills. Now see your child showing confidence, playing, sharing, conversing and working with peers.

***This isn't a dream.
It's Schafer Sports.***

We are passionately committed to children with special needs and their families. We insist on a culture that is compassionate and nurturing. We offer a range of programs, and place children where they will be most motivated and successful.

This camp is geared towards students that can participate in a group program independently of an aide, parent or care giver. We keep our class size small so that each student can be given what they need in order to thrive and succeed in our program.

We have extensive knowledge and experience working with children to adults with visual impairment, Autism, Downs Syndrome, Cerebral Palsy, Williams Syndrome, Low Muscle tone, ADDD/ADHD and so much more.

**At the Heart of
Schafer Sports Center
is our Passion for Teaching**

Our motto: we teach in a way that builds self-esteem and develops the life lesson that learning is fun!

Our hiring mantra: hire the character, train the skill.

Our goal: to build happy, healthy responsible kids.

Our strategy: put children first, sports second.

Your kids will enjoy camp at our brand new, 37,800 square foot athletic complex. It's state-of-the-art, air conditioned and includes:

- Full circuits of men's and women's olympic gymnastics equipment
- 4 in ground trampolines
- Warm-water teaching pool
- Indoor astroturf field for soccer, lacrosse and more
